Dear Dads and Moms:

Have you ever thought about how many times your preschooler uses their sense of taste, touch, hearing, seeing and smelling every day??? LOTS! God has given us these wonderful gifts... let's celebrate them!!! Miss Marilyn and friends are busy getting ready for God Gave Us Senses Day, you won't want to miss it!!!

If you are new to Blue Valley Baptist Church--it is a morning of play for you and your preschooler(s), and a great opportunity for you to invite a friend or neighbor to come with you, introducing them to BVBC. You and your preschooler(s) will be using ALL of your senses as you touch the play dough and smell the different scents that we will be using to make it. Your hands, eyes and ears will be active with hammering, playing in pools of rice or moving with the music.

Your feet will be busy as you walk through Jell-O, cotton balls, etc. How does it feel? And your mouths will also experience the many different nutritious snacks you will bring.

There will be special activities set up for even the youngest in mind! Sounds like fun?? Make plans now to join us for a great morning of fellowship with other preschool parents, as we celebrate our senses.
